and truth of the fact. Again we say,

Pottsville Standard

Ageots, St. Joseph, have placed in our hands the following correspondence for publication. The reliability and well known business qualifications and charac- 25,000 Almanacs for 1859, Free. ter of this popular firm, have doubtle-s superinduced the application to them for aid in the transactions proposed. Let everybody read the documents and rehand writing, and are both mailed at Iowa Point, K. T., March 9, 1859, of which CAMPHENE AND BURNING FLUID. place Reed is a citizen ;

[LETTER SO. 1.]

Iowa Point, K. T., March 8, 1859. MR LYKENS-SIR: I suppose you are still gobbling up some of the money floating round St. Joseph, (as McGarvy says,) and if so, I have a job for you to work on. Last fall I went down to the gold dig-gings, and whilst there helped to organize the Auraria City Company, being a member myself. One hundred of us took a FINE CUTLERY, section of land and laid off the above named city; we divided it into 600 shares, appropriated 200 of them to the city, and had remaining 400 for the company, or 4 to the man; each one was compelled to have a house built by the first of next July. I at once hired a man, who went out with us and remained to build my house, which I suppose will be completed in time. I then returned home during the winter; and now if you can gobble me up a man who will purchase my interest of me (say \$1,000 per share,) I will give you the round sum of \$1,000 for BROWN BRICK BUILDING, your ingenuity.

Auraria has now, according to the most reliable accounts, about 300 buildin s, which have gone up in the last four months, and about 800 inhabitants, and if things go on as they are now, she will be of 1,000 inhabitants in eight months time from now. Let me hear from you pretty soon, for as this is one of the most plausable speculations now ont, I shall expect you to soon and a purchaser. In the mean time you will receive a letter pretending to be from Pike's Peak, which will no doubt assist you some in the trade. -

P. S. The shares have not yet been issued, but I will guarantee that all will be right or money refunded.

[LETTER NO. 2] AURARIA CITY, Jan. 25th, 1859. MESSES BOYD & LYKENS-SIRS: Having received your address from a miner I wish to know what Dr. J W. Reed's (of Liwa Point) interest in this city could be obtained for. Since he left, this place and Denver City have united and he may think his chance is a poor one, and would probably sell on good terms. When you ask him his price, ask how much he will take for the chance of his four shares ; if you find that they can be had for \$1,000 or \$1,500 per share, write to me immediately at Fort Kearney, as I expect to be at that place by that time. He may take a great deal less, but the above is the limit. Yours, &c., J. W. TODD.
